

EXCEPTIONAL GEORGETOWN ALLIANCE

Helping Exceptional People Live Extraordinary Lives

Exceptional Georgetown

Alliance (EGA) is a group of family and community members dedicated to enriching the lives of individuals with developmental and cognitive disabilities.

Along with Chisholm Trail Communities

Foundation we are working to secure funding needed to reach our common goal of supporting children and families of Georgetown.

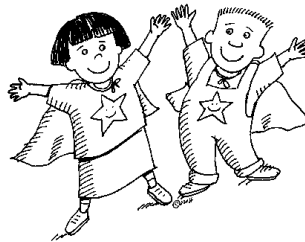

Children with developmental disabilities including autism and Down's syndrome often feel excluded from recreational and social programs that benefit typically developing children of Georgetown. We will support summer camps and after school programs that are accessible to all children.

Young adults with developmental disabilities often find themselves left out of post high school educational and vocational experiences available to their peers. We hope to help them by providing new ways to meet their potential and become productive adult members of our community.

How can you help?

- Provide financial support using the form included on this sheet
- Volunteer your time
- Donate materials for events
- The most important thing you can do: Be accepting of people with disabilities and find ways to help them fit in and feel welcome in our community in your day to day life.

“Because disabilities do not take vacation.”
